

World O! Water

Sept 14th 2008 (Noon -4:00p.m.)

Chalco Hills Recreation Area

8901 South (Giles) 154th Street

This is a fun filled environmental day focusing on Water and Water Quality.

The activities and information available at World O! Water leaned themselves to earning Activity Badges. These Activities are best done in a Den setting. We encourage all Scouts to come with their Dens, Mothers, Fathers, brothers and sisters and enjoy the a fun filled day.
